

## Foreword

Over the years I have come to appreciate the diversity of God in new dimensions. The creativity of God is revealed in nature—in the incredible variety of just the color green for instance. While in New Zealand several years ago I wondered, “How did God come up with all the ideas?” That same creative variety is expressed in the unique gifts and talents which we see at work in God's people.

David Kitz is unique. I met David several years ago after reading his award-winning novel, *The Soldier, the Terrorist, and the Donkey King*. I so appreciated the perspective he presented about Jesus.

In *Psalms Alive! Connecting Heaven and Earth*, David opens his heart to let God speak to him through the beautiful songs, meditations, and reflections of the biblical Psalms. As an actor, David helps you visualize the drama of the moment. As a writer, he paints a verbal picture that helps you look back into your own life to see and appreciate what God has done, what He is doing, and also bring faith to your heart for what He can still do in you.

This book has been written to help open your heart to the healing grace of our wonderful God—connecting you to heaven. As you read, expect the Psalms to come alive for you as never before.

Enjoy!
